FOOD COCKTAILS ENTERTAINMENT

1-REPUBLIK Jersey City is a restaurant, bar, lounge, and rooftop. 1-REPUBLIK Jersey City is the sister venue to 1-REPUBLIK Hoboken and 1-REPUBLIK North Arlington.

1-REPUBLIK is the largest rooftop in Jersey City and largest restaurant in growing downtown Jersey City. The owners were inspired by New York's 1920's - 1930's prohibition/speakeasy days and Las Vegas' size and over the top experiences. The decor is prohibition themed with leather banquettes, gold and red accents, and an overall feeling of opulence reminiscent of the roaring 1930's with its gold chandeliers.

We're featuring chef driven menu and a curated cocktail menu.
